

-Okay, going to bed now-

Okay, going to bed now

It is time to sleep

It's okay to sleep now

NO! it's okay to sleep

How do I hold these feelings?

**Yeah okay um, but youtube gives you a
super interesting video**

Well now I'm not doing it

I'm going to sleep now

Time to rest the mind

**I turn into a night owl
(yawn)**

No, I'm ready to sleep now.

Dream about my favorite machine

The Blue Machine, join them in my dream

After this I'll go Pro, My name is JD

Goodnight
